What: A Holiday 10K, 5K Run and Family 1 Mile Walk working closely with several community groups, including McKinney Main Street and the downtown merchants, the first Believe! race was held, with great success, on November 25, 2006. Held during the annual McKinney "Dickens of a Christmas", the event not only helped our community, but helped bring in runners from all over the north Texas area. Even more amazing, Believe! has grown in five years to over 1,200+ participants and donated over \$55,000 to the Holy Family School Scholarship Fund. Holy Family School, a non-profit organization, provides a safe, loving Christian environment for culturally, economically and ethnically diverse children in McKinney and surrounding communities.
